To Whom It May Concern

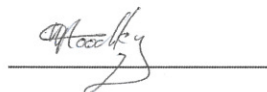

I am writing to recommend the services of Mr Israel Noko of NPI Governance Consulting. I have been using NPI Governance Consulting for approximately two years, for advice and support on preparing our BBBEE strategy and for our annual BBBEE assessment.

Mr Israel Noko has offered an invaluable advice to our company, assessed our needs and supported us throughout the process. The result of our first assessment audit was that we improved our BBBEE score by two levels, a resounding success having strategic value for our company.

Mr Israel Noko has done an excellent job, always makes himself available and offers competitive rates.

I highly recommend the services of NPI Governance Consulting. If you have any questions, please feel free to contact me.

Yours Sincerely
